**RE: Annual Review of Base Rates for Fuel Costs of Dominion Energy South
Carolina, Inc. (For Potential Increase or Decrease in Fuel Adjustment)
Docket No. 2022-2-E**

Dear Ms. Boyd:

By letter dated October 13, 2021, the Commission requested the parties provide the proposed order of witnesses, any objections to taking direct and rebuttal testimony together during the hearing, and whether the party would use panels for witness testimony.

Dominion Energy South Carolina, Inc. ("Company") requests that it be allowed to present its witnesses in-person in the Commission hearing room. The Company offers to present its witnesses in panels as follows:

1. The direct testimony of George A. Lippard, III and Henry E. Delk, Jr.;
2. The direct testimony of Rose M. Jackson, Michael D. Shinn, and Tom A. Brookmire;
3. The direct testimony of Mark C. Furtick and the direct testimony and rebuttal testimony of James W. Neely;
4. The corrected direct testimony of Allen W. Rooks.

The Company reserves the right to amend the proposed order of witnesses, and the Company will update the Commission should that occur. The Company does not object to taking direct and rebuttal testimony together during the hearing, but it does not waive its right to present the testimony separately if needed.

By copy of this letter, I hereby serve the parties of record. Thank you for your assistance in this matter and please do not hesitate to reach out should you have any questions or need more information.
